

## **Mehr Foundation**

Dear Community Leader,

On Friday March 22, 2024 San Antonio Persian Cultural Society ( dba, Mehr Foundation) will host their annual Norouz Gala in celebration of the Persian/Iranian new year with the arrival of the Spring Equinox. The gala will be held at the UIW Rosenberg Skyroom from 6 pm to midnight and will include dinner, performances, music and cultural displays.

Our mission at Mehr Foundation is the celebration and promotion of Persian/Iranian culture and arts. We are the only organization in the San Antonio region focusing on our culture and serving as a representative of the Iranian-American community.

Since our inception we have hosted annual galas, annual Fall festivals, art exhibits, movie screenings, theatrical plays, food drives, panel discussions and partnered with SA Metro Health during the COVID pandemic for community outreach programs. We are proud of the work we have done in the past five years, and look to further our partnerships with other organizations and businesses in San Antonio.

It is with help from individuals, companies and organizations like yourself that we are able to succeed. As a nonprofit organization we humbly ask for your support of this year's gala which serves as our biggest fundraising event of the year. Please see the following page for sponsorship options.
